BAD NEWS

Although CityFibre are back in Middleton to do more cabling in Noon Layer Drive and elsewhere, they're not returning yet to the Village for Willen Road.

We're trying to find out why, and when Willen Road will eventually be done.

LAND ADJACENT TO OAKGROVE SCHOOL

The Parish Council have a really helpful feature on their website giving the background to the proposed housing development beside Oakgrove School's secondary campus, which they keep regularly updated.

Following last month's fatal accident at the junction of Claridge Drive and Chaffron Way Sam has asked the Council and Police to consider a 40 mph limit on that stretch of road.

If you know of anyone who is vulnerable or in need of help at the moment please contact the Council's COVID-19 help line **01908 252398**.

PLEASE TELL US YOUR 2021 PRIORITIES

Please tell us what you'd like us to do for the estate during the coming Council year. For example — crime, litter, street signs, speeding, traffic, wheelie bins, schools & potholes.

Kerrie's prepared a survey. Here's the link:

Thank you !

Still no sign of Oakgrove's cycle track - closed because of a legal dispute - re-opening. Sam has contacted everyone urging a resolution by the summer holidays.
