TELL US YOUR PRIORITIES

Each January we ask you what you'd like the **Focus** team to concentrate on for the coming year. There's space below to list up to five issues and to tell us which is the most important for you.

You can either email us with your comments, or fill the form in, scan/photo it & send it to us.

focusteam@live.co.uk

Or you can complete it online. Here's the link & QR code

These are some of the issues you told us about last year - crime, litter, speeding, the need for wheelie bins, parking, school admissions. Do you still feel the same way?

☐☐☐☐☐

We've been surveying for your views all year

Kerrie wants more bins for our rubbish

Uroy runs our litter-picking network

Sam promoting faster broadband

If you know of anyone who is vulnerable or in need of help at the moment please contact the Council's COVID-19 help line **01908 252398**.

PARKING OFF MAURETANIA WAY

Residents have complained about users of the Pavilion football pitches and play area parking in Mauretania Way and damaging the grass verges.

Sam Crooks is discussing possible solutions with Places for People and the Council including small bollards, ascot fencing or a bund.

One issue is where the displaced cars will park instead. Thank you to the resident who suggested the carpark beside the school that also serves the Pavilion but which often has vacant spaces at the weekend.

COUNCIL TAX

The Council is consulting on a 3.75% council tax increase from April this year and wants our views.

Here's the link with full details of the budget and how to reply:

SPEED WATCH

5 years ago a group of dedicated Brooklands residents pioneered Community Speed Watch in Milton Keynes. Now the Police are rolling out similar schemes across the whole of Thames Valley.

If you'd like to set up a Community Speed Watch helped by the Police let Sam know on:

COVID-19

There's been a sharp rise in Omicron infections this month. Broughton (which includes Brooklands) is the 2nd worst affected ward in Milton Keynes.

The NHS, local GPs & the Council are urging us all to get our booster.
