# TELL US YOUR PRIORITIES

Each January we ask you what you'd like the **Focus** team to concentrate on for the coming year. There's space below to list up to five issues and to tell us which is the most important for you.

You can either email us with your comments, or fill the form in, scan/photo it & send it to us.

[focusteam@live.co.uk](mailto:focusteam@live.co.uk)

Or you can complete it online. Here's the link & QR code

These are some of the issues you told us about last year - crime, litter, speeding, the need for wheelie bins, parking, school admissions. Do you still feel the same way?

Sam Crooks and a couple of local residents (to whom many thanks) met Bloor Homes to discuss a number of issues including traffic management and flooding. Let me know if you'd like a copy of the notes of the meeting:

## SPEED WATCH

5 years ago a group of dedicated residents in our ward pioneered Community Speed Watch in Milton Keynes. Now the Police are rolling out similar schemes across the whole of Thames Valley.

If you'd like to set up a Community Speed Watch helped by the Police let Sam know on:

## COVID-19

There's been a sharp rise in Omicron infections this month. Broughton (which includes Willen) is the 2nd worst affected ward in Milton Keynes.

The NHS, local GPs & the Council are urging us all to get our booster.
