**FAIRER, SAFER, CLEANER,
GREENER**
Milton Keynes

Focus # 394. Nine issues per year since 1979. Not just at election time

WE MAKE YOU TWO PROMISES

Sam, Kerrie & Uroy
The *Focus* team

TO KEEP IN TOUCH

Asking you what **YOU** think. Trying to achieve what **YOU** want. Reporting back in **Focus**. Being honest where we don't agree, or can't deliver.

**TO GET THINGS
DONE, LIKE:**

Having this swale in Broughton cleared each year.

Broadband on Broughton Gate

Helping residents set up a community speed watch on Brooklands

A resident emails:

Firstly I'd like to thank the Focus team for all their continued efforts to resolve local issues and for being the first port of call for most residents. Your continued commitment to the local area does not go unnoticed and I have regularly seen you all out in all weathers serving your local community - a great effort and that is why in the upcoming elections you will receive my full support.

WHY I WANT YOU TO VOTE FOR ME

- I believe in a different kind of politics, based on what communities want, and not traditional party politics.
- I hate all the mud-slinging on the Council (and nationally) - instead, we should be proud of our city.
- This is the future I want - to maintain our green spaces, to improve our congested roads and to build affordable homes for our children.
- You see me around, and hear from me regularly in **Focus** or facebook.
- I'm one of a great team, backed by Kerrie Bradburn & Uroy Clarke. You're voting for the team as well as me.

Sam Crooks

Lib Dem *Focus* team

Fairer, Safer, Cleaner, Greener

The developers have done the legal minimum to clear up after their building work opposite Andromeda Chase. We're exploring with the Parks Trust what can be done.

We've approached the Surgery about the difficulty of making appointments.

As soon as the Magna Park end of Fen Street is taken over by the Council we will impose restrictions to stop HGVs parking.

We are pressing for a new crossing here, on the Newport Road, linking Broughton Gate & Brooklands.

For four years Sam was responsible for the city's new school building programme, at the time the largest in Europe, including both Brooklands Farm campuses.

No more plastic bags. Wheelie bins for **all** our rubbish are coming to MK from April 2023 thanks to Kerrie's Council motion. There'll still be weekly collections (*don't believe what you read elsewhere*) General & garden / food waste every week; recycling fortnightly.

The Council's litter enforcement officers have handed out nearly 3,000 fines this year. Fly-tipping is down 21%

Blue Star Grove (*like this for 2 years*) is typical of many areas where developers are not moving fast enough to hand over estates to the Council. Sam is pressing Places for People for action.

Here's the link to our manifesto for Milton Keynes: <https://mklibdems.co.uk/en/article/2022/1427071/putting-people-first-mk-lib-dem-2022-local-election-manifesto>

THE COST OF LIVING

It affects us all, and people are getting frightened

HERE'S WHAT WE'D DO

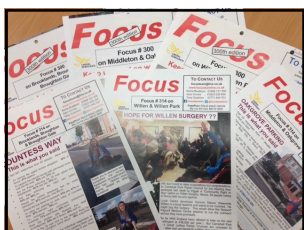

NATIONALLY, WE WOULD:

- Reduce the standard rate of VAT from 20% to 17.5% for a year.
- Introduce a windfall tax on oil & gas profits.
- Use this to double the Warm Home Discount & extend it to everyone on Pension & Universal Credit.
- Double the Winter Fuel Allowance.
- Roll out an emergency home & business insulation programme.
- Re-instate & make permanent the £1,000 Universal Credit boost.
- Raise benefits by the true rate of inflation (now 7%) rather than by 3.1 %

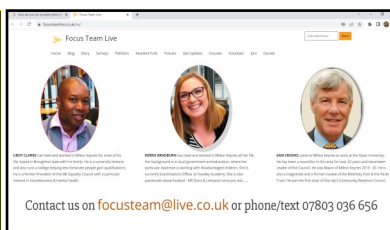

LOCALLY, WE HAVE ALREADY:

- Set aside over £15 million to help residents on low incomes pay their council tax bill.
- Provided £3 million for concessionary public transport fares and £500,000 to help with insulation & heating costs for those worst off.
- Supported the MK Foodbank Xtra, community food larders & a Local Welfare Provision Scheme to help residents in need with essential furniture & kitchen equipment.
- Offered grants for childcare deposits & after school support.

We will also provide a council tax discount to many residents who are currently ineligible for the Government's council tax rebate scheme.

394 Focuses since January 1979 keeping you in touch, asking your views, and sorting out local issues. That's over **9** a year, for **43** years. Not just at election time.

We've our own website & facebook page with regular petitions, surveys, email updates and a twitter feed: www.focusteamlive.co.uk

SAM CROOKS...

...came to Milton Keynes to work at the Open University. He has also worked in France, America, Pakistan & Hong Kong. For 10 years he has run the annual Cornerstone Christmas Appeal, collecting over £120,000 for local charities.

He has been a councillor in this area for over 20 years and was Mayor of Milton Keynes 2019 - 20. He has twice been Leader of the Council. He has been a magistrate, a member of the Milton Keynes Health Authority, the Thames Valley Police Authority and a trustee of the Bletchley Park Trust and the Parks Trust. He was the first chair of the city's Community Relations Council.

He has been a school governor of Broughton Fields and Brooklands Farm primary schools and was a member of the national General Teaching Council (the professional body for teachers) until its abolition in 2012. He is currently a trustee of the MK Dons Sports and Education Trust.
