Speeding - a letter to the police...

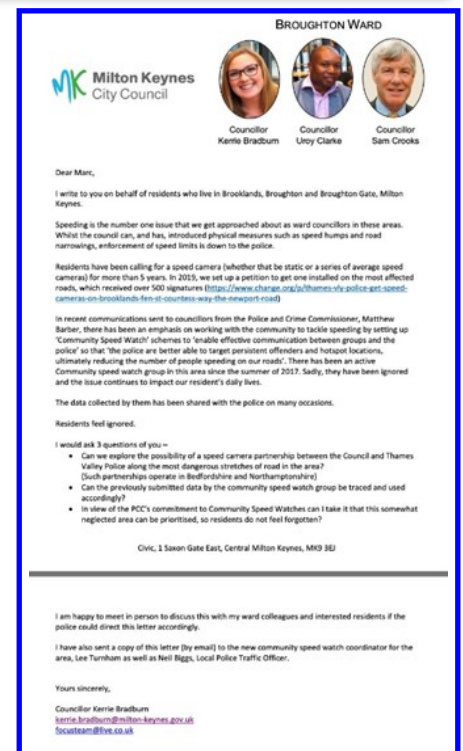

Speeding in our area is out of control

The Council has introduced numerous traffic calming measures but ultimately it's the police's responsibility to enforce the speed limits in place. We've written to Marc Tarbut, MK Police Commander about the issue and asked him **3 questions**:

- 1 Can we have a speed camera along the most dangerous stretches of our road as in Bedfordshire and Northamptonshire?
- 2 Can the previously submitted data by the resident community speed watch be traced and actioned?
- 3 In view of the Police & Crime Commissioner's commitment to community speed watches, can you assure us this will be prioritised in our area so that residents don't feel ignored?

We're organising a residents' meeting in December to press for a speed camera. Meanwhile email or text Kerrie if you'd like to see a copy of her letter:

Good pavilion news (at last !)

The Parish Council have taken over the Broughton Pavilion. Their office will be moving in from Oakgrove. The Pavilion will be fully open again from 2 January next year.

In Brooklands it's the MK Dons Sports and Education Trust who're in charge. They've partly re-opened but hope to be fully operational early in the new year.
