## Vote Kerrie

Postal Ballots will arrive from Tuesday 18th April

I've loved being your ward councillor for the last 4 years. As a community we have faced a huge amount of upheaval and uncertainty firstly with COVID and now through the cost of living crisis. As you'll probably know, we're not overly political in The Focus Team, we're much more about community. That's why you won't find us slinging mud about others, making false promises or pulling cheap stunts. Quite simply my job is to work for you and I will continue to do so if you re-elect me this May.

### My promises to you:

I'm accessible, easily contactable and responsive.

I work for you - your priorities are my priorities.

I'm honest about what I can achieve - I won't make you false promises.

# Good News Around The Ward

We continue to work with residents to protect Willen from the impacts of MK East.

The community speed watch group has been reformed and Kerrie's keeping the pressure on the police to enforce speed limits.

We're still focused on making our roads safer.

Both Brooklands and Broughton Pavilions were saved from closure. Brooklands is run by MK Dons SET and Broughton by the Parish Council.

Oakgrove has been designated a 20mph zone.

We're working to clean the ward up.

The yellow lines have been painted on Tanfield Lane and the potholes repaired.

After telling me you wanted wheelie bins in 2019, these will be rolled out this autumn to most houses.

We're getting the council to focus on estate handover issues like the condition of our roads, street lights and general maintenance.
