Vote Kerrie X

Kerrie says...

I've loved being your ward councillor for the last 4 years. As a community we have faced a huge amount of upheaval and uncertainty firstly with COVID and now through the cost of living crisis. As you'll probably know, we're not overly political in The Focus Team, we're much more about community. That's why you won't find us slinging mud about others, making false promises or pulling cheap stunts. Quite simply my job is to work for you and I will continue to do so if you re-elect me this May.

Sam & Uroy say...

Please re-elect Kerrie on May 4th so she can continue her work on the council with us. We've been impressed with her dedication to resident queries and her commitment to our community. Kerrie's been leading on our work to move to wheelie bins this year which was one of her election promises last time. Your priorities are her priorities. Vote Kerrie!

Thank you to the amazing job you all do, if it were you guys running the country life would be better

Residents say...

Great team - true local heroes - remember this when you vote please

Just received your brochure printed on recyclable paper and delivered by one of your teams :) I shall indeed vote for you on the 4th May!

Thank you for all the work you're doing for the community, it's really appreciated. I'd like to keep receiving a paper copy of Focus please.

Dear focus team, Thank you for your most recent newsletter. I always find them an interesting read.

Really appreciate your help. Definitely know where my vote will be going this year.

Thank you so much to you three for all the hard work you do in our community. It is much appreciated.

My promises to you:

I'm accessible, easily contactable and responsive.

I work for you - Your priorities are my priorities.

I'm honest about what I can achieve - I won't make you false promises.

Listening Caring Working

We continue to work with residents to protect Willen from the impacts of MK East.

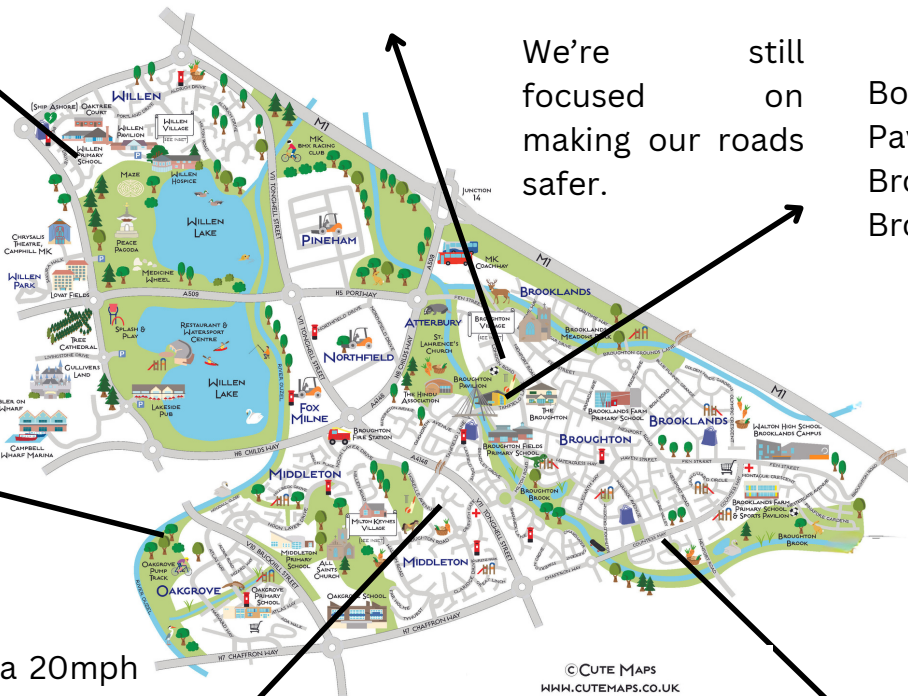

The community speed watch group has been reformed and Kerrie's keeping the pressure on the police to enforce speed limits.

Both Brooklands and Broughton Pavilions were saved from closure. Brooklands is run by MK Dons SET and Broughton by the Parish Council.

Oakgrove has been designated a 20mph zone. We're working on getting this in other places like Middleton.

BROUGHTON WARD

We're working to clean the ward up.

The yellow lines have been painted on Tanfield Lane and the potholes repaired.

After telling me you wanted wheelie bins in 2019, these will be rolled out this autumn to most houses.

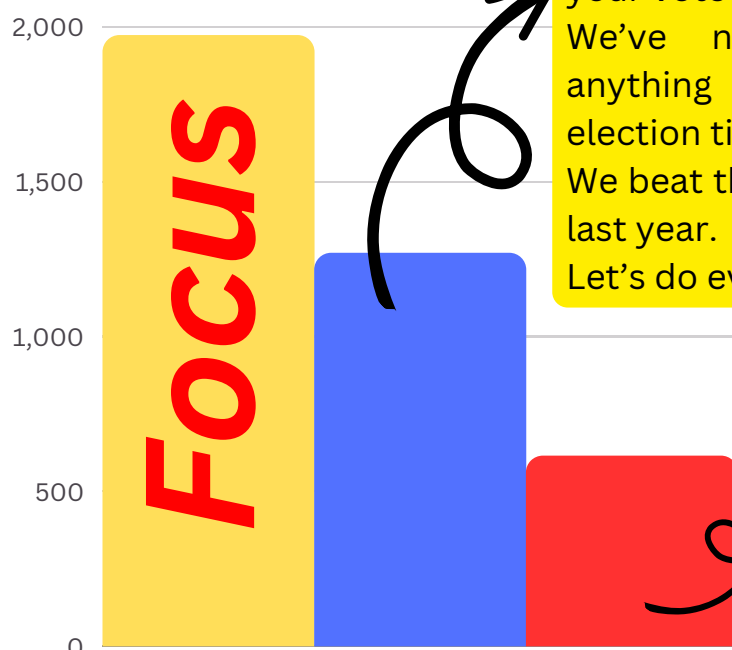

We're getting the council to focus on estate handover issues like the condition of our roads, street lights and general maintenance.

On May 4th remember...

People in this area know they are best served by Kerrie and the **Focus** Team.
Re-elect Kerrie so she can continue to work for you.

Your 'Local Conservative' takes your vote for granted. We've not seen or heard anything from them since last election time. We beat them by over 700 votes last year. Let's do even better this year!

Labour don't work or win here.

BRADBURN, Kerrie
