

New Monthly Litter Pick on Brooklands

Due to the success of our monthly litter picks on Oakgrove and at resident request, **Uroy** has started a new monthly litter pick on Brooklands. It will run on the last Saturday of each month at 2pm.

Join us for the next one on **Saturday August 26th at 2pm** outside Brooklands Pavilion. All equipment will be provided and children are welcome if accompanied by an adult.

Let **Uroy** know if there are any locations you think we should focus on:

More TLC for Tanfield Square?

Thank you to the residents who raised this issue of litter and overflowing bins in Tanfield Square. The area has been looking a little neglected. We're happy to report that the businesses are supporting the effort to reduce litter by supplying additional bins. The Costa bin outside the Co-op which was no longer fit for purpose has been removed.

We've asked the council what we can do about the unsightly roll cages that are often visible and if we can work with the shops to find a solution for these to be hidden.

Let Uroy know what you think: focusteam@live.co.uk

Anti-Social Behaviour

Report Here:

We've been getting quite a few messages from residents about pockets of anti-social behaviour on Brooklands. These reports include nosiey mopeds, school students trespassing, litter and loitering outside shops or noise disturbances. We want to reiterate that the best course of action is to report these incidents to the police via the non-emergency 111 service (either by phone or online). The police use the data from reports to distribute resources. If reports aren't logged the police don't know about the issues. We'll also be working with them to ensure they are taking resident concerns seriously.

SCAN ME

FirstPort Management Company

We've had a number of complaints recently about FirstPort who manage part of the Brooklands estate. Uroy and Sam are arranging to meet FirstPort management with some residents. More on this next time...

Summer
