The Conservative Government and their MPs here have taken Milton Keynes for granted for years. They have broken our NHS, caused a cost of living crisis, and failed to tackle sewage dumping in our waterways.

James Cox and the Lib Dems

A strong local voice for Milton Keynes

✔ **Better access to GP and dental services**

People across MK are struggling to get GP appointments. Conservative neglect has plunged local health services into a crisis so people are waiting too long before they are seen.

By giving people GP and dentist appointments when they need them, we will reduce the pressure on hospitals and paramedics, saving crucial time and money elsewhere in the NHS.

✔ **Stopping sewage dumping in our rivers**

Last year, raw sewage was dumped into rivers in MK for over 2,000 hours! Lib Dem MPs put forward a bill to stop this, but our Conservative MP voted against it.

The Lib Dems will continue to fight to protect our environment and make sure rule breaking water companies are punished.

✔ **Tackling the cost of living crisis**

The Conservatives have wrecked the economy, leaving people struggling to make ends meet. We need a fair plan to get through this cost of living crisis.

If elected James will work with other Liberal Democrats in MK and elsewhere to deliver more help for struggling families and make sure children are lifted out of poverty.
