

The Liberal Democrat Focus Team

Working & keeping in touch all year round

OUR POLICIES

Locally

- Action to tackle child poverty
- Decent litter picking & landscaping
- Protection of the most vulnerable from the austerity cuts just announced in the budget
- Speed reduction to improve road safety
- Building more affordable homes to buy and rent
- Effective waste collection & recycling with fewer missed collections
- Promoting public transport that works
- Protection for our environment
- Better maintenance of our roads, redways, pavements and street lights
- Better school admissions policies
- More Police on the beat.

Nationally

- Long term investment in economic growth to restore public services and to create jobs
- Much greater support for carers
- Improving access to GPs and the NHS
- Realistic action on climate change

You write:

Firstly I'd like to thank the Focus team for all their continued efforts to resolve local issues and for being the first port of call for most residents. Your continued commitment to the local area does not go unnoticed and I have regularly seen you all out in all weathers serving your local community

Team

First thank you. Although a voter for another party for > 40 years, I have switched my allegiance, in local elections, to your Lib Dem Team on the strength of the extraordinary effort you apply to resolving local issues. I have lived all over the country following the military flag but your team really excel at 'doing the do'. Great work.

Fabulous news. I heard the noise of a strimmer earlier this afternoon. The verge is now cleared.

Job sorted, thanks to the Focus Team.

Clare writes...

There has been a Lib Dem **Focus** team local councillor in this area for over 40 years. You've elected Sam many times and Uroy twice - thank you !

Please make it three by voting for me to join them on the Council. Like them I'm proudly Lib Dem, but I try to keep party politics out of local government.

I want to stop all the mud slinging on the Council and to bring younger, fresh ideas.

I want to create good houses, schools and jobs, and to build great communities.

Please help me make this happen.

Keeping in touch and working for you, all year round, every year.

Working for you - Listening to you

It's YOU - our residents - who help Clare & the Lib D

Clare's not against electric bikes and e-scooters, but believes they must be properly regulated and **NOT** allowed to be left in the middle of the redway.

The recent flooding has highlighted continuing problems in Willen Village. Residents believe a round table meeting is required between MK City Council, Anglian Water, the Parks Trust and the Internal Drainage Board to get agreement on who is responsible for what.

Sam is trying to arrange this before the winter storms set in.

These lorries are parked outside people's homes at the Magna Park end of Fen Street. But neither the Council, the Police nor Places for People will do anything to move them even though there are double yellow lines in place. We're now contacting Amazon Prime, DHL and the other well known brands whose lorries are parking here to try to get this stopped.

LET US KNOW WHAT YOU THINK.

Fill out our survey online. We want to hear from you.
