FLOODING - WHAT NEXT?

Flooding is becoming more frequent. We get concerned when we see it but the Council, Anglian Water and the Environment Agency say that MK's green spaces are designed to cope with flooding. The real problem is when people's houses are affected, like in Newport Pagnell.

Please let us know what **YOU** think, so that we can be prepared for next time.

- Were your houses or driveways affected?
- Could you not drive because your road was flooded?
- Are there obvious problems that need mending eg blocked gullies, or Parks Trust pathways

We're supporting a request for double yellow lines on the junction of Fen Street with Pacific Avenue to improve driver sight lines.

We're trying to persuade the Council & Arriva to create a new bus stop for the # 3 bus between Brooklands Square and Countess Way.
