The Council has identified the faulty sensors causing problems on the Northfield roundabout, and is starting an immediate repairs programme. The whole roundabout is due a major upgrade this summer.

The Council is phasing out its current household recycling centres (*tips to you and me*) - too small, toxic & out-of-date. They're building two new super tips instead. So far so good. But the location's wrong. There's one towards the west of the city & the other in the south. We want one on the east. Sign our petition here:

#GoodForYou

We all want people to have the chance to  
dream big, give it a go, and build skills for  
life.

But Scouts isn't just good for young  
people—it's good for you too!

Volunteering boosts wellbeing, helps  
develop CV-friendly skills, and creates  
lasting friendships and memories.

Broughton Scout Group meets every  
Thursday evening, and we're looking for  
people like you to build a strong  
community role. Whether you love  
working with young people, prefer  
planning adventures from the sidelines,  
or have a completely different skill set,  
there's a place for you.
